

THE LEE FAMILY

FEBRUARY 2012

EXCITING STEPS!!!

JEFFREY, RACHEL, JOSHUA, REBECCA, CALEB & ISAIAH LEE
"SHARING THE HOPE OF CHRIST IN THE UK"

This year has kicked off with an exciting "bang" for our little church plant! Britten Grove Baptist Church officially moved over to its new, larger rented hall. The first service in the new hall hosted seventy-five people, and the numbers have been between sixty-five to seventy attenders since. The hall is large enough that many more can come!

The Sunday school teachers are very pleased to have enough space to host their classes properly instead of teaching in a tiny kitchen and the small front entrance-way.

We celebrated with a large cake the first Sunday, then the following Sunday we held a church pot-luck dinner to really test out the new place. It all went very well! Since the church is no longer on "Britten Grove" street, the next big change for it will probably need to be a name change!

Thank you for your prayers and interest in this big project over the past months. There are a few other things happening in the background of Britten Grove church, including the beginning of a national pastor search! A potential pastor comes in March to preach in three of our services. With all this new national leadership, the time is coming soon

for the ABWE missionaries to step out and start a new work. How exciting that this church is nearly at the "Graduate" stage! Please continue to remember these new believers in your prayers. It is when a church is growing and really making a difference that Satan can come in subtly and attack the members.

At the end of January our family attended a training conference for ABWE UK for five days. We took some training on the theory of

Worshipping the Lord in new facilities!

counseling. This is an area where we see a great need, and we would both like to get some more intensive training in. It was a good opportunity to see members of our UK team that we don't visit with often, as well as to make some new friends!

In February we are excited to be celebrating three baptisms. One gentleman, Dave, we've mentioned before, has in a year made a complete turn-around in his life and attitude, thanks to the renewed spirit that Christ has granted him. It has been amazing to watch and be a part of his journey of faith! He is so excited to share his faith and his testimony through this. Two of

the youth we've been working with will also be baptized at the same time. What an encouragement to see these blessed ones step out in an act of obedience.

FAMILY NEWS

We've celebrated three birthday's this month! Caleb turned five years old on the first of January, Rebecca celebrated her eighth birthday on the twentieth of January, and Rachel celebrated her birthday on the thirtieth of January. What a lot of cake we've eaten!
